## Welcome to our practice

May we extend a warm welcome to our practice. We take pride in the quality of our dentistry and aspire to make your visits a pleasant experience. Our aim is to provide high-quality dental care for you and your family through a preventive dental approach. This means giving you regular dental advice and helping you to understand how to care for your teeth yourself to reduce the need for dental treatment.

We offer our own membership plans to cater for maintenance and prevention. These can be paid for by convenient monthly Direct Debit and have the added benefit of giving you substantial discounts on any additional treatments you may need. It is our policy for each patient to see one dentist on a continuos basis. If this is not possible for any reason, suitable alternative arrangements will be made for you to see another dentist within the practice. You have the right to express a preference of dentist and we will take all reasonable steps to accommodate your request. Unfortunately, circumstances dictate that this is not always possible.

“We take pride in the quality of our dentistry and want to make your visits a pleasant experience”

In addition to routine treatments, this practice offers an orthodontic service to help to improve the appearance and function of crowded or protruding teeth. There is also a dental laboratory on the premises able to provide a speedy and efficient denture repair service. It is operated by registered technician Dean Gibson.

Looking after your own teeth is of the greatest importance. Our dental hygienists, Christine Golby and Anne Hadley, will help you to maintain your teeth for life, offering regular advice and treatment to improve your teeth and gums. In addition, we continue to sell an ever-increasing range of carefully chosen dental products. For children, we are pleased to offer preventive advice.

Our practice grows primarily by word of mouth recommendation, so if you are happy with our clinical experience and customer care, we would appreciate your recommendation to any family, friends or colleagues who you think might benefit from a visit to a practice like ours.

## NHS treatment

We provide a full range of NHS treatment to children and NHS exempt patients. The Government now asks us to register documentary proof of NHS exemption on our system, so please bring this along with you and present it to one of our receptionists on arrival.

Graham Best, Richard Hardy and Christelle Abeln hold the practice's NHS contract. (This is a non-limited partnership.) Details of local NHS

dental services can be obtained from: The Patient Advice and Liaison Service (PALS) on 0800 587 4132 or email [pals@norfolk.nhs.uk](mailto:pals@norfolk.nhs.uk)

## In an emergency

Whenever possible, please contact us about emergencies during our normal surgery hours. If you need to be seen on the same day, please get in touch as early as possible. If we are closed and you require urgent advice, you can contact your local NHS out-of-hours dental service on 0845 600 3246.

Alternatively, if you would prefer to be seen on a private basis, please telephone the practice on 01263 512390 and an answer machine message will give you full details of who to contact. Please be aware that there will be a callout charge, as well as treatment costs, if you are seen out-of-hours on a private basis.

NHS Direct also offer 24 hour advice on 0845 46 47 or [www.nhsdirect.nhs.uk](http://www.nhsdirect.nhs.uk)

“Thank you for giving us all great smiles.”
